Summit Racing Equipment American Modified Series Rained Out at Bloomington Speedway June 30

Bloomington, IN- June 30, 2017- Inclement weather continues to plague the Summit Racing Equipment American Modified Series during the 2017 as the Friday June 30 Tom White and Company Independence Day Celebration fell victim to rains on Friday evening after time trials and while the first heat was on the track for competition.

This event has been rescheduled and will now take place on Friday September 15, with the open wheel warriors of the Summit Racing Equipment American Modified Series in competition in a 40 lap, \$3,500 to win, \$300 to start main event.

In other news concerning Bloomington Speedway, the previously rained out J.B. Robinson Memorial event has also been rescheduled at the track and will now take place on Friday August 25, with the tour in action in a 30 lap, \$2,000 to win, \$200 to start main event.

The remainder of the Fourth of July events are still scheduled to take place, with action shifting to Brownstown Speedway in Brownstown, IN on Saturday July 1 (\$1,500 to win), Sunday July 2 at Windy Hollow Speedway in Owensboro, KY (\$1,500 to win), and Tuesday July 4 at Fayette County Speedway in Brownstown, IL (\$1,500 to win). Also of note, for the event at Fayette County Speedway on July 4, there will be lap leader money of \$50 per lap for leading each lap of the event, so if the same driver wins and leads all thirty laps of the main event, that driver would collect an additional \$1,500 in lap leader money.
